

The LMS-Patriot Project

Creating the new Royal British Legion endorsed National Memorial Engine

HISTORY HAS GIVEN US A TARGET

HELP US FINISH THE UNKNOWN WARRIOR

The LMS-Patriot Project was formed in 2008 to build an entirely new 'Patriot' class steam locomotive which will be named **'The Unknown Warrior'**. The engine has been endorsed by The Royal British Legion as the new National Memorial Engine.

The Legion is dedicated to keeping the memory alive of those who have made the ultimate sacrifice, in two World Wars and more recent conflicts, through memorials and remembrance services across the nation.

'The Unknown Warrior' is being built because all four of the original memorial engines that were built in the 1920s and 1930s no longer exist and because all of the 'Patriot' class of locomotives were scrapped by British Railways in the early 1960s.

You can become part of this exciting project. 'The Unknown Warrior' is well over 60% complete but funds are still needed to finish the locomotive so that it is ready to take a leading part in the 2018 events commemorating the 100th anniversary of the end of The Great War.

You can 'Help Us Finish The Unknown Warrior' by any of the following methods:

- **Making a monthly donation by standing order (suggested minimum £10)**
- **Making a one off donation**
- **Sponsoring a component (list available on website)**
